Logistics.

STAT

Gentlemen:

Thank you for [redacted] letter of June 2, 1987. I probably will make no effort to sell until I return to Delaware late in October. Some of my friends know I intend to sell so I would handle inquiries.

I only have two sets of pictures and would appreciate your returning the set you have. If you subsequently have an interest you would want to see the property, the aerial view of the house and the assessment map of my and surrounding properties.

Thank you.

Yours truly,
